

# EMMER GREEN RESIDENTS' ASSOCIATION

serving the local community

## ANNUAL REPORT

[www.egra.co.uk](http://www.egra.co.uk)

2019-2021

### EGRA'S CONTINUED FUTURE

We have been fortunate enough to have 4 members step forward to support the EGRA Committee to ensure that the future is safe for now. Although COVID 19 has hampered the plans we had and we acknowledge that each committee member has had varying priorities over the last two years.

John, Neil and I would like to welcome

Steve Harcourt

Neil Parker

Ian Stentiford

Elizabeth Tyler

Thank you to Committee members stepping down in 2019

Clive Garrett

Our continued thanks go to our Support Team members for Planning, Newsletter Delivery and Noticeboard Maintenance; Harvey Smith, Diana Hartrup and Sue Drayton

We have also received the sad news that one of our very dedicated supports has recently passed away, Eve Johnson; EGRA Committee, Sue Drayton and the whole noticeboard team send their condolences to David.

### EGRA through 2019 – 2021

We continue to work on a new website, with a new look and feel, and the ability to be able to join EGRA directly from the website. Sounds simple but involves lots of planning.

#### Planning

EGRA, with the help of Dr Harvey Smith, continue to monitor all local planning applications.

The most significant in our area is Reading Golf Club, which Committee Member, Steve Harcourt is leading on.

Thank you to all Members and Committee Members for their continued support of the Association

Annette Fairweather, Chair
