

EMMER GREEN RESIDENTS' ASSOCIATION

serving the local community

www.egra.co.uk

Neil Tayler, Membership Secretary, 15 Highdown Avenue, Emmer Green, Reading, RG4 8QT

Welcome to Emmer Green!

The Emmer Green Residents' Association was set up in 1984 and continues to have a strong voice on local issues, as well as organising and fundraising local projects. The Association works closely with the Council, who keep the Association informed about development proposals in the locality. In addition, we have links with other Residents' Associations and local forums and give support to others in the locality.

The EGRA committee meets four times a year and reports current matters in a winter and summer newsletter plus an annual report at the AGM in April.

Over 500 local households are currently members of the Association, but to maintain a persuasive influence on local issues we need to have as good a representation of local residents as possible and would encourage you to join the Association. If you join for 5 years the subscription is £5.00 per household (equivalent to a £1 per year). New members are provided with useful local information plus a list of local tradesmen (exclusive to paid-up members), who have been happily used by some of our members.

If you would like to support the Association, please return a subscription with the slip below to the Membership Secretary or any other committee member or contact the Membership Secretary at egra.membershipsecretary@gmail.com to receive information to pay directly to our bank account.

Please see our web site for more information: www.egra.co.uk
